# MULHERN VALUES

## DISTRIBUTOR ORIENTED

Mulhern Belting sells exclusively through distribution and select OEMs. We do not sell to end users and we can blind ship directly to your customer with your company's name on the packing list.

## A SUPPLIER TO OUR CUSTOMERS

With multiple stocking locations throughout the United States, top-notch customer service, in-house fabrication capabilities, and quality products that we'll stand behind, Mulhern Belting has a proven track record of providing the best possible experience for our customers.

## A CUSTOMER TO TO OUR SUPPLIERS

Just as we respect and value our distributors, our suppliers take pride in being dependable partners with us. We cultivate and maintain strong relationships with our manufacturers and trust that, in crunch time, they will be there for us so we can be there for you.

## AN EMPLOYER TO TO OUR EMPLOYEES

Mulhern Belting employs over one hundred conveyor belting professionals throughout the United States. Our staff has hundreds of years of combined experience in the industry.

# FIVE STOCKING LOCATIONS

## ATLANTA, GA

6125 Xavier Drive SW, Atlanta, GA 30336

## KANSAS CITY, MO

1236 Saline Street, North Kansas City, MO 64116

# MASSIVE INVENTORY

**WHATEVER YOU NEED, WE HAVE IT**

Mulhern Belting stocks a massive inventory of light and heavy weight belt across five warehouses. Whatever you need, we have it.

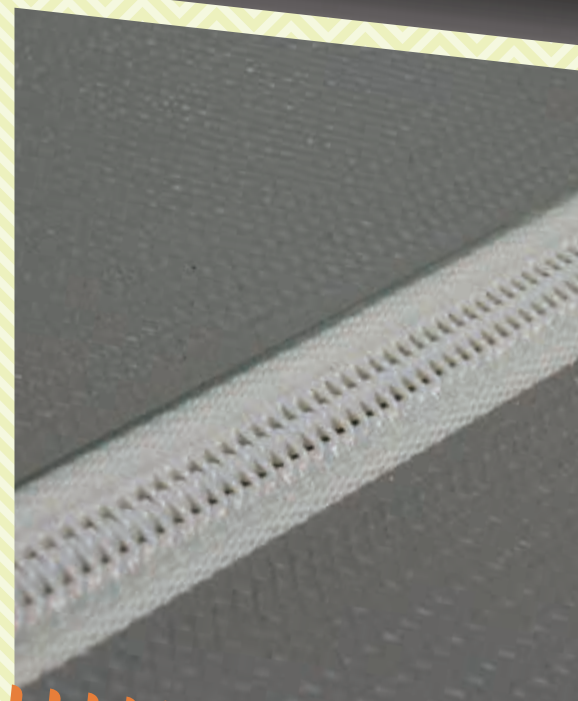

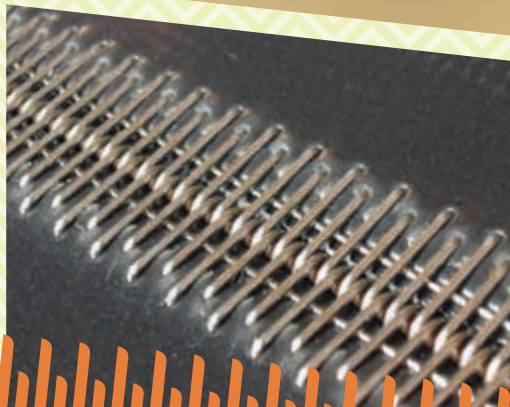

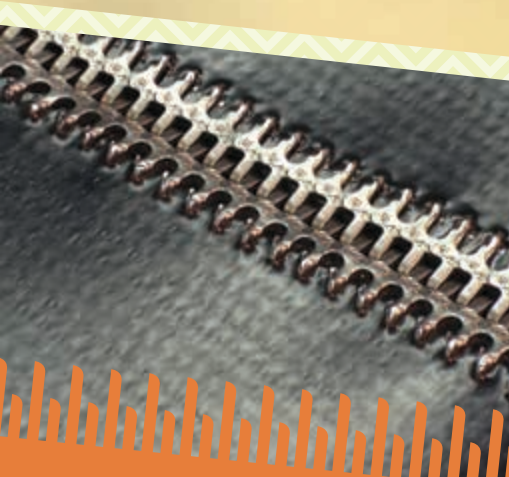

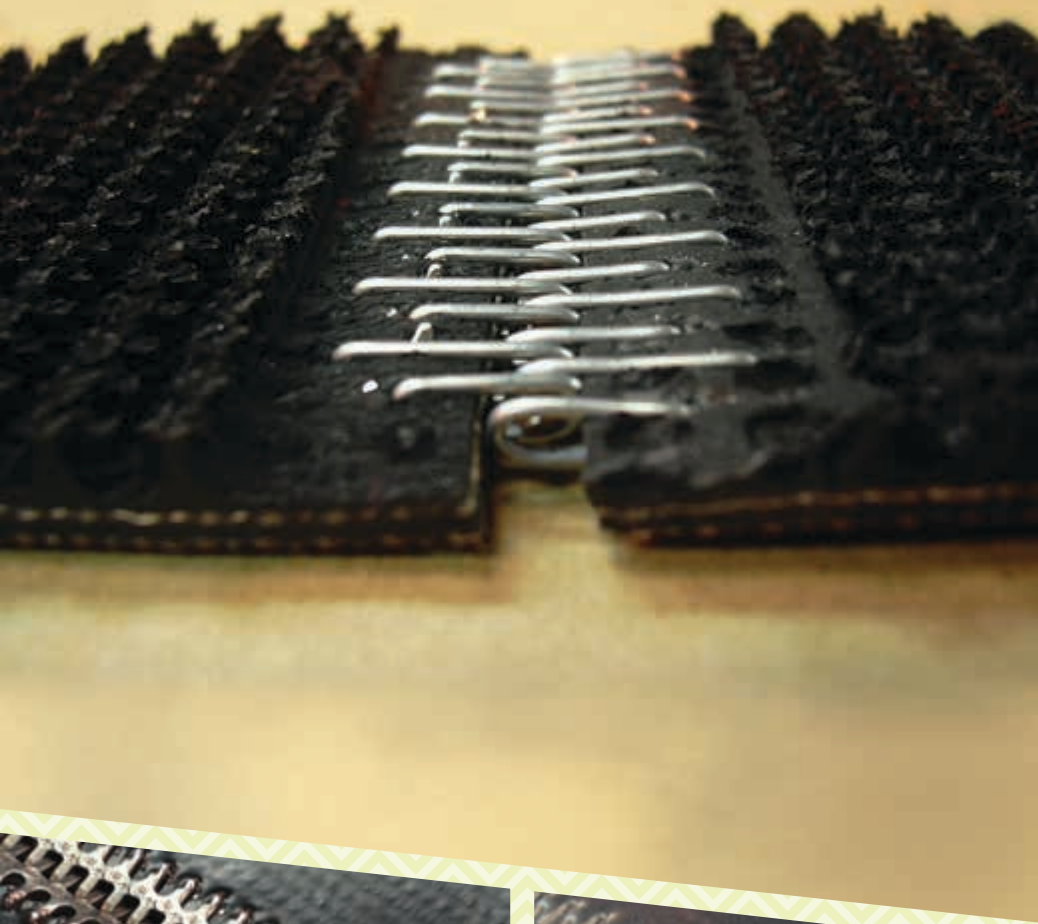

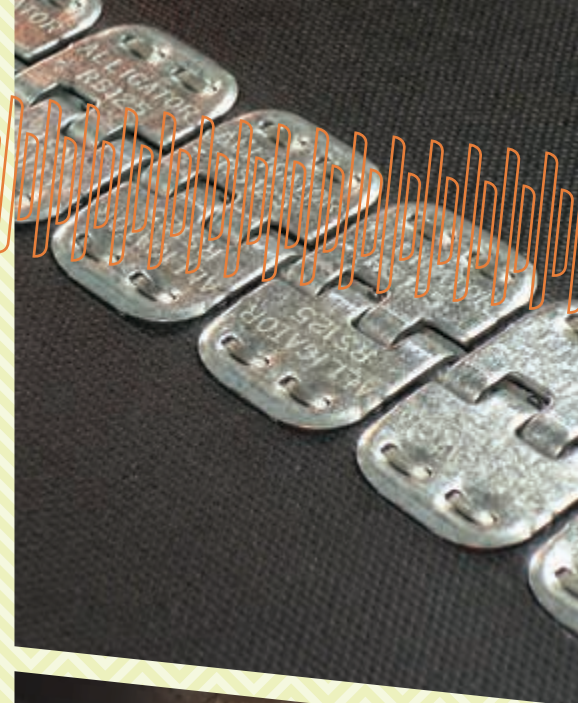

Mulhern Belting can perform a wide range of fabrications at all of our plants. Lacing, Endless, Profiles, Specialty—we do it all!

# FABRICATIONS

# LACING

CONFIGURATIONS: STANDARD, RECESSED, HIDDEN, COVER FLAP,  
LACING TYPES: CLIPPER, UNIBAR, STAPLE, ALLIGATOR, PLASTIC RIVET,  
PLASTIC SPIRAL, SUPERSCREW, BOLT HINGED, AND MORE

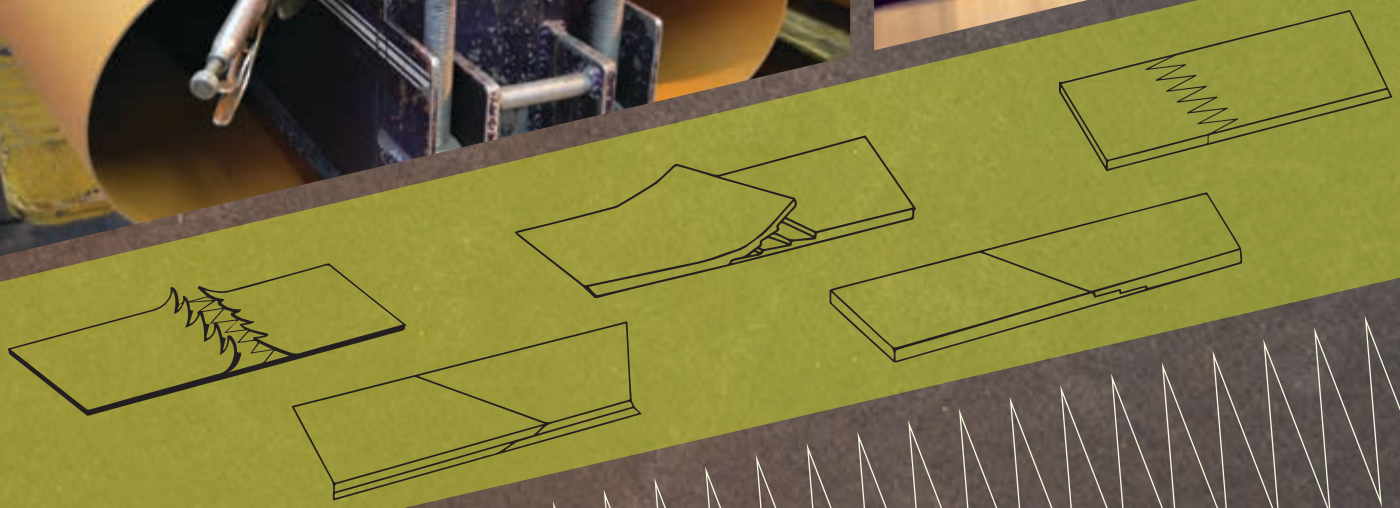

Lacing is the most common way to splice belting. Mulhern Belting carries all industry standard lacing types as well as specialty lacing if needed.

# ENDLESS

SPLICE TYPES: LAP, SINGLE FINGER, DOUBLE FINGER, SKIVED, PREPARED ENDS, STITCHED REINFORCEMENT, AND MORE

Endless splices are used to join various styles of belting in a configuration without lacing. An endless splice offers a higher strength rating than lacing, no gap at the splice, and does not require metallic fasteners.

# HOLE PUNCHING

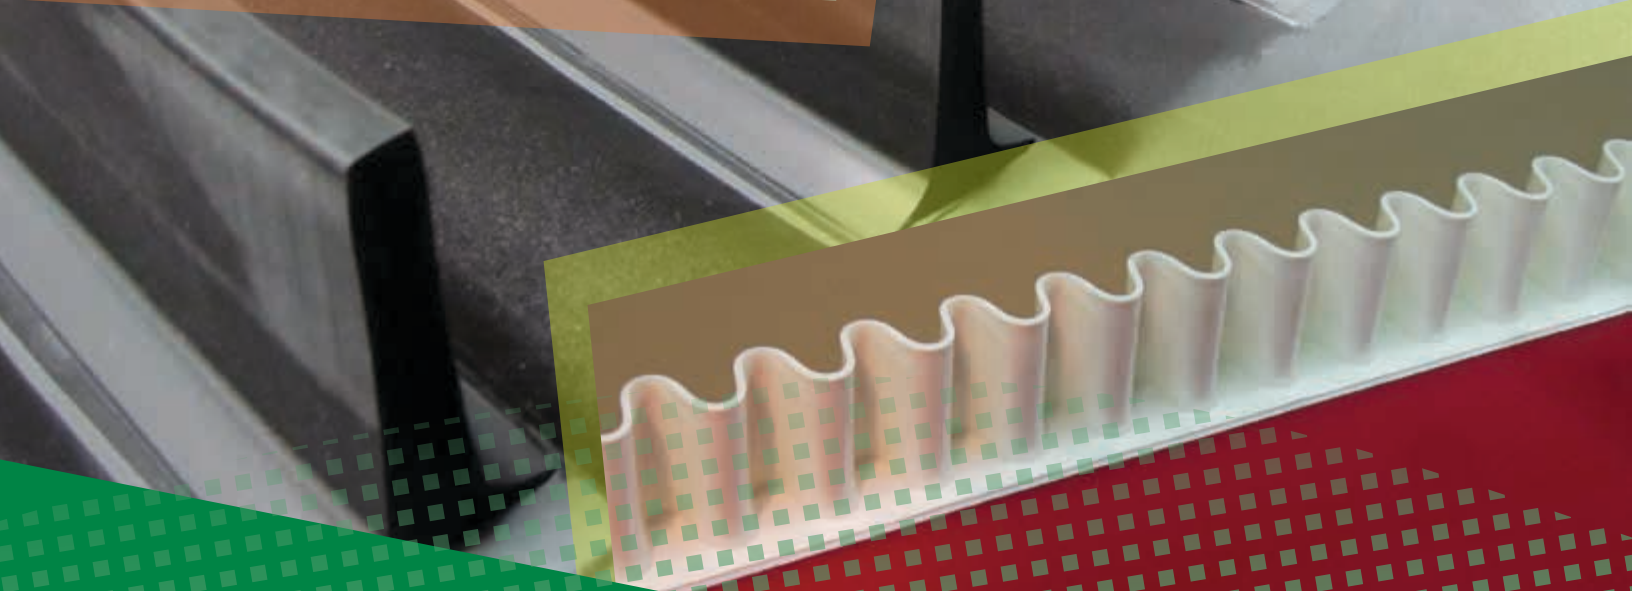

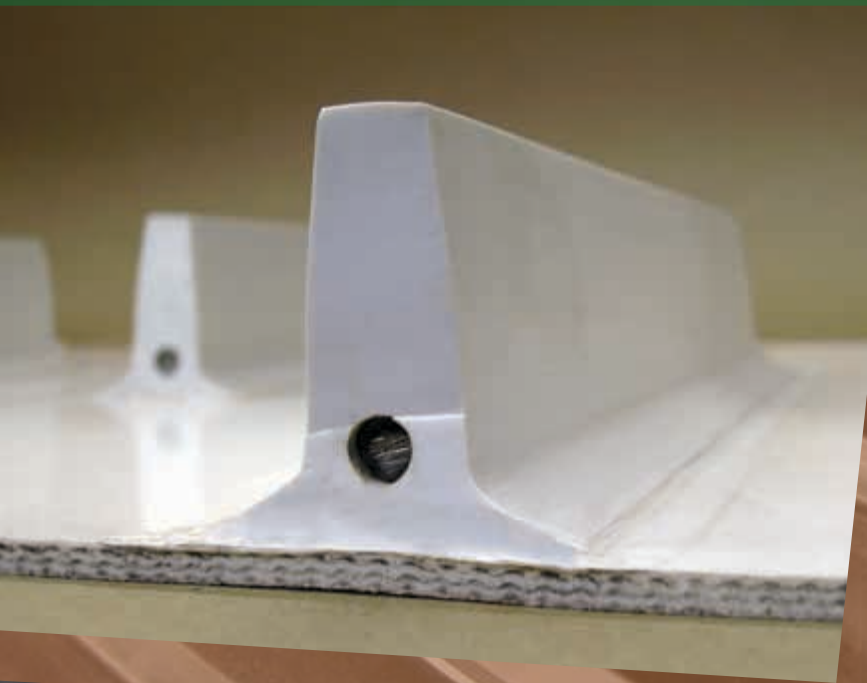

Mulhern Belting can punch a wide variety of belts for bucket elevators and perforate belts for drainage and vacuum applications.

# THERMOPLASTIC PROFILES

TEE CLEATS, BEEFY CLEATS, SCOOP CLEATS, THIN LINE CLEATS, FABRIC REINFORCED CLEATS, CURVED CLEAT PATTERNS, CHEVRON CLEAT PATTERNS, V-GUIDES, FLANGES, LUGS, SIDEWALL, AND MORE

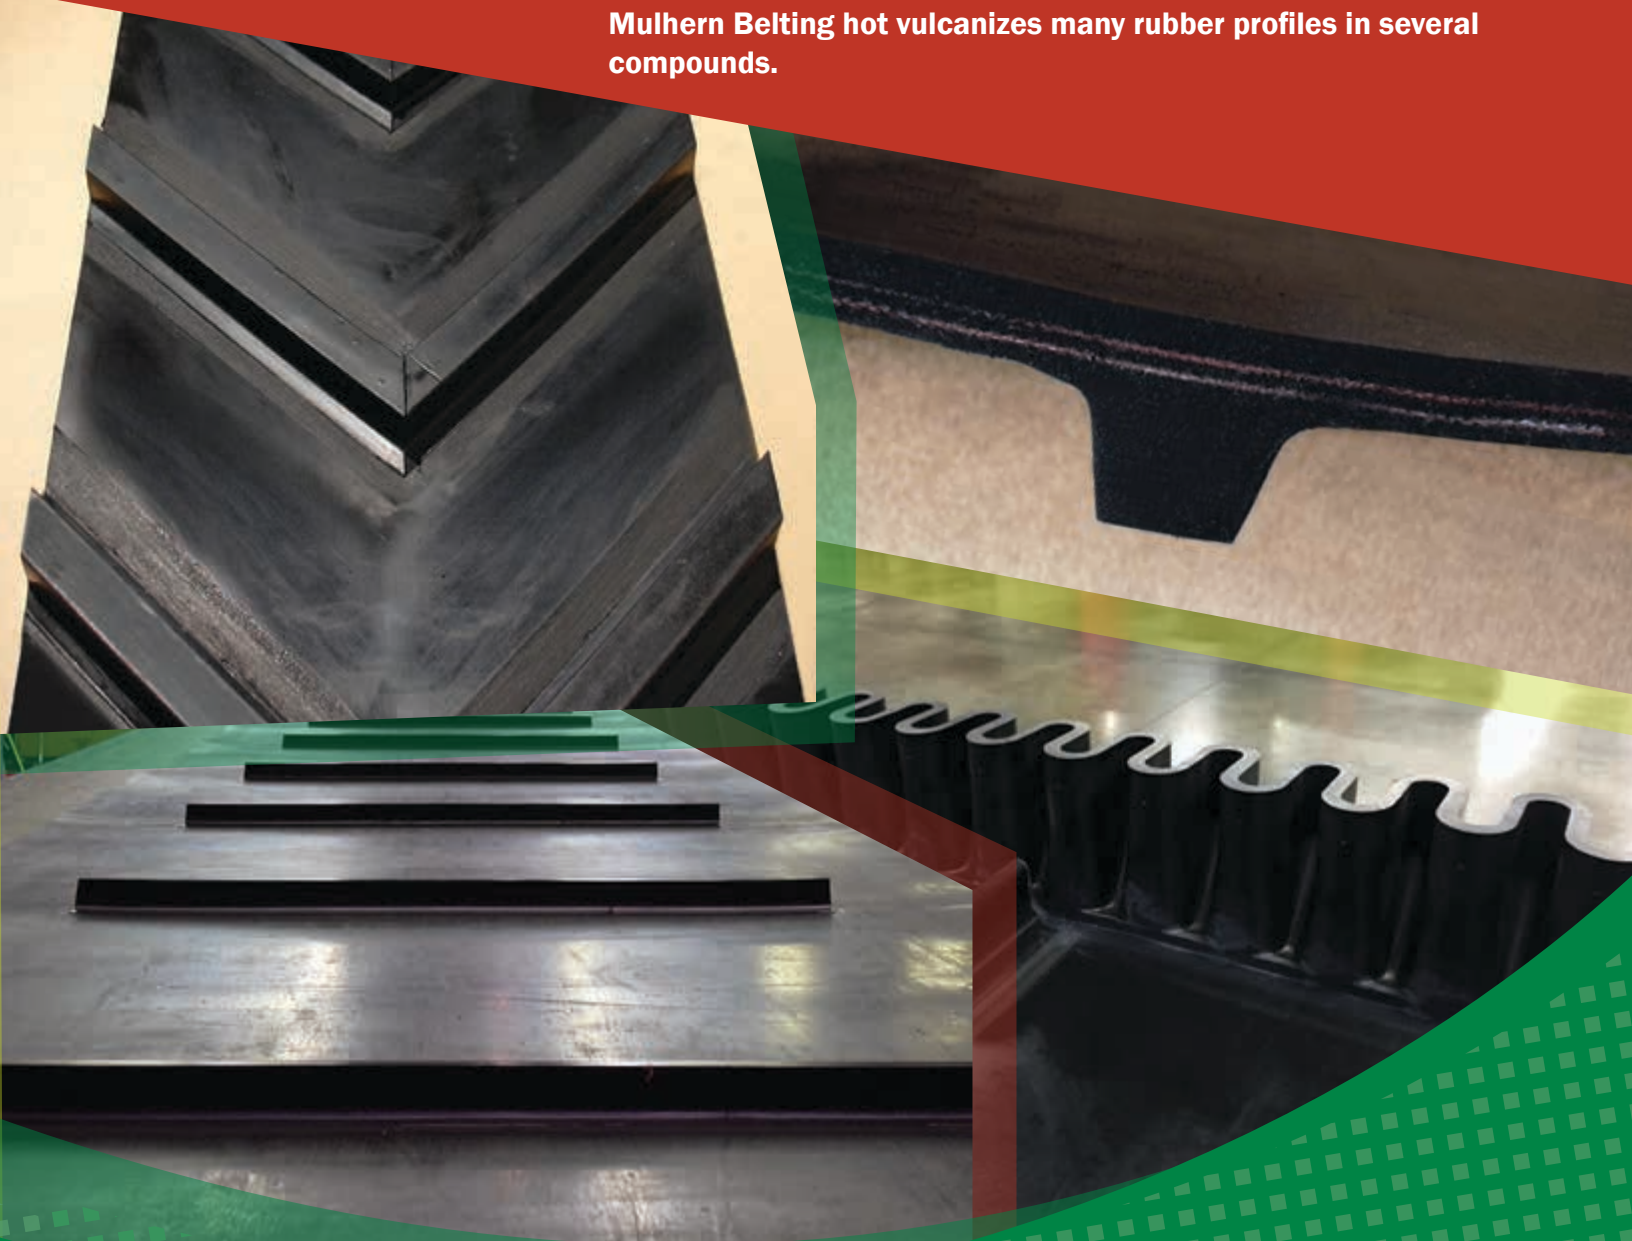

We fabricate a complete array of Thermoplastic Profiles.

# HOT-MOLDED RUBBER PROFILES

SIDEWALL, TEE CLEATS, SI CLEATS, SCOOP CLEATS, V-GUIDES, FLANGES, LUGS,  
CHEVRON PATTERNS, BUCKET PATTERNS, VERSA PATTERNS, AND MORE

Mulhern Belting hot vulcanizes many rubber profiles in several compounds.

# POPULAR MOLDED RUBBER LUG PATTERNS

## CHECK OUT OUR CUSTOM AND STOCK RUBBER LUG PATTERNS

We offer short lead times and competitive prices. Don't see your pattern style? Call for other options.

## BELT PRO SMART PHONE APP

The best service in the industry just got better. Belt Pro™ is the must-have phone app for all distributors and OEMs who sell conveyor belting. It puts the power of Mulhern Belting's full catalogue at your fingertips.

Have you ever wished you could submit quote requests with a few taps on your smart phone? Now you can with Mulhern Belting's Belt Pro™. The iOS version of Belt Pro™ also performs common calculations such as Belt Length from center to center, Angle of Repose and unit conversions.

Specify the best Mulhern belt for every application from the palm of your hand whenever you need it!

## PROUDLY DISTRIBUTOR DRIVEN

Mulhern Belting partners with select Distributors and OEMs to go to market and does not sell to End Users. We want to be your vendor of choice.

## APPLICATION EXPERTISE

Our experienced Sales Team is dedicated to solving problems, troubleshooting applications, and determining the best belt specification for the job.

## LARGE IN-HOUSE INVENTORY

We carry one of the largest belt inventories in the United States in our five conveniently-located warehouses.

## EXTENSIVE FABRICATION TECHNOLOGIES

We can fabricate basically anything—Lacing, Endless, Profiles, Specialty—you name it, we can do it.

## COMPETITIVE, HIGH QUALITY PRODUCT

Mulhern Belting offers a competitively-priced product manufactured to exacting quality standards.

## DROP SHIP PROGRAM

Mulhern Belting can drop ship blind to your customer. All paperwork and tags will list YOU as the the supplier.

## INSTANT COMMUNICATION

We deliver timely quotes, order confirmations, invoicing and order tracking requests. You will receive shipment tracking emails with UPS/LTL information automatically as soon as your order ships.

## ON-TIME DELIVERY

Mulhern Belting has the best lead times in the industry. We get your product to you when you need it.
